

LASERFICHE RECORDS MANAGEMENT EDITION™

Find it at the TEPR Conference: May 19, 2004

YOU FOUND IT.

LaserFiche Digital Records Management provides information access, security and accountability while maintaining preferred procedures to:

- Reduce the cost of compliance with FERPA, NCLB and other regulations
- Save money on storage, mailing and copying
- Deliver cost and productivity benefits in days, not months or years

To find out how, bring this invitation to booth (#204).
